Team Cat (Cozmo23)

[/u/dmg04](#) [/u/cozmo23](#)

Totally understand this isn't really your guys' fault, but Bungie has always been a company that isn't a shitty soulless corp with this stuff and I'd super appreciate it if y'all can send this up to flagpole to whoever can look into this.

I'm assuming it's unintentional, but if it is, beating on fans with copyright strikes on stuff like this isn't cool.
